#### VERSATILE LUMINAIRES WITH A CLASSIC LOOK, EQUIPPED WITH CONTEMPORARY TECHNOLOGY AND INNOVATIVE FEATURES

The Pro-Office luminaire retains its traditional look, but beneath the surface it has been completely renewed. Aside from the added features including the improved luminous efficacy and a significantly extended service life, new options such as the preferred light color option, 4-step adjustable light settings or DALI-controlled versions make the luminaire flexible and versatile. Pro-Office is the ideal replacement for T5/T8 fluorescent panels and also meets the lighting requirements for workstations (UGR

#### PRODUCT FEATURES

| Suitable for wall mounting                     | ×                                       | Suitable for number of light sources   | 0                    |
|--|---|--|----------------------|
| Suitable for suspended mounting                | ×                                       | Nominal voltage  | 220 240 Volt         |
| Suitable for ceiling mounting                  | ✓                                       | Nominal current  | 0 0 Milliampere      |
| Suitable for built-in mounting                 | ✓                                       | Rated lifetime L80/B50 at 25 °C  | 114000 Hour          |
| Suitable for surface mounting                  | ×                                       | Rated lifetime L70/B50 at 25 °C  | 182000 Hour          |
| Suitable for light line configuration          | ×                                       | Lumen maintenance at median useful<br>life of 35,000 h at 25 °C ambient (tq) | 0.93 Percentage      |
| Suitable for workplace according to EN 12464-1 | <b>v</b>                                | Lumen maintenance at median useful<br>life of 50,000 h at 25 °C ambient (tq) | 0.91 Percentage      |
| Lamp type                                      | LED not exchangeable                    | Lumen maintenance at median useful<br>life of 75,000 h at 25 °C ambient (tq) | 0.85 Percentage      |
| With light source                              | <b>√</b>                                | Failure rate at median useful life of<br>35,000 h at 25 °C ambient (tq)      | 0 Percentage         |
| Lamp holder                                    | Other                                   | Failure rate at median useful life of 50,000 h at 25 °C ambient (tq)         | 0 Percentage         |
