

## LED Strip Bronze

PAGE 1/1

LED Strip Bronze High Power

# 46224112

EAN: 8720615505401

### FOR INDOOR USE

The new LED strips Bronze are practical and can be used endlessly. Due to the white 2835 LEDs with better cooling, the light depreciation over time is reduced to a minimum, resulting in a longer lifetime. Thanks to the different versions it is possible to create different effects by illuminating coves, niches or other places where indirect lighting perfectly fits. Also, due to the higher efficiency these LED strips lend themselves perfectly for general lighting.

### PRODUCT FEATURES

|                                  |                                         |                                  |                        |
|----------------------------------|-----------------------------------------|----------------------------------|------------------------|
| Model                            | Strip                                   | Number of nodes per meter        | 60                     |
| Mounting method                  | Surface mounting/recessed mounting      | Lamp power per meter             | 14.4 Watt              |
| Lamp type                        | LED not exchangeable                    | Luminous flux per meter          | 1200 Lumen             |
| Voltage type                     | DC                                      | Lamp voltage                     | 24 24 Volt             |
| Type of control gear             | LED operating device voltage-controlled | Beam angle                       | 120 Degrees            |
| Suitable for dimmer              | ✓                                       | Rated life time L80/B10 at 25 °C | 70000 Hour             |
| Exchangeable control gear        | ✗                                       | Max. system power                | 72 Watt                |
| Degree of protection (IP)        | IP20                                    | Colour temperature               | 3000 3000 Kelvin       |
| Degree of protection (NEMA)      | 1                                       | Width                            | 10 Millimetre          |
| Colour of light                  | White                                   | Height/depth                     | 3 Millimetre           |
| Colour rendering index CRI       | 80-89                                   | Length                           | 5000 Millimetre        |
| With end piece                   | ✗                                       | Length of particular segments    | 100 Millimetre         |
| With connection set              | ✗                                       | Lowest bending radius            | 0 Millimetre           |
| With protective cover            | ✗                                       | Number of poles                  | 2                      |
| Self-adhesive                    | ✓                                       | Conductor cross section          | 0.75 Square millimetre |
| Type of wiring                   | Ending                                  |                                  |                        |
| Connection type                  | Other                                   |                                  |                        |
| Compatible with Apple HomeKit    | ✗                                       |                                  |                        |
| Compatible with Google Assistant | ✗                                       |                                  |                        |
| Compatible with Amazon Alexa     | ✗                                       |                                  |                        |
| IFTTT support available          | ✗                                       |                                  |                        |
